

So, you've read the form, and decided that you're interested in learning more about the Holy Spirit, you're looking forward to some (if not all) of the activities, and you're folks have started asking things like 'what time and where?' and 'what do you need to pack'.... So here you go.

We need you to book in at 4pm Sunday 19th July at Hargreaves Scout Campsite Hainault Road, Little Heath, RM6 5SR ... that's on the right just by the before the crossroad near King George's and the A12.

Once there, we'll pitch our tents (all the tents we need are being lent to us by 24th Ilford North West Scout group) then we'll plunge headlong in to a programme of teaching, activities and chill-out until Tuesday 21st July when we break camp, packing up, clearing up and generally getting ready to be picked up at about 1.00pm

So, what to bring?

Most of it is pretty much common sense, just remember when you're packing, , we're camping and the activities will include quite a lot of interaction with the countryside!!!!

Please DO NOT BRING iPod/mp3/games console, as we will not accept any responsibility for them, nor will there be much time to use them.

If you're taking any medication, (your parent will need to complete with instruction and permission slip)
Looking forward to seeing you there!
